EMPLOYMENT

UF/IFAS EXTENSION, HILLSBOROUGH COUNTY

Sept. 2014 – Present

Media Coordinator

Seffner, Florida

Headed media production and acted as technical liaison for over twenty Hillsborough County employees and University of Florida faculty. Produced video, photos, and online and print publication materials. Modernized media production processes and media organization. Awarded the 2017 FEAFCs Communications Team Award (Television/Video Program) by the National Extension Association of Family and Consumer Sciences for video entitled “Savings and Investment Myths.” Determined technology needs and made office purchases to assist public education programs. Provided end user IT support, including software, hardware, and network installation and troubleshooting. Facilitated communication between end users, visitors, and two separate IT support teams.

NERDSMITH.ORG

Dec. 2017-Present

Founding Member, Director's Council, Producer, Art Liaison, Recruiter, Creator

Co-founded an entertainment network delivering free content, supported by voluntary user donations. Planned and organized the policies and structure of new entertainment website. Hired and collaborated with artists to develop artwork for use in online marketing. Recruited content creators. Producing *Threads in the Vayl* audio-drama and starring in the *Shenanigans* active-play Dungeons and Dragons podcast.

TRIBRIDGE

Dec. 2012 – Sept. 2014

Managed Services Specialist

Tampa, Florida

Built websites within a development environment called *Cornerstone OnDemand* in consultation with multinational corporate clients. Supported human resource departments in setup, use, and troubleshooting of HR systems.

PALM CENTER AT FSU COLLEGE OF INFORMATION AND COMMUNICATION

2011 –2012

Office Administrative & Research Assistant

Tallahassee, Florida

Supported faculty research on school library issues through data entry, synthesizing and visualizing data graphically, and recording faculty meeting minutes. Researched and created presentation materials. Assisted in the production of an academic journal, “School Libraries Worldwide,” using an online journal content management system.

MEDIA PROJECTS

VOX MACHINA: AN EXANDRIAN MUSICAL

2017-2018

Producer, Art Director, Voice Director, Casting Director, Writer, Editor, Performer, Artist

A forty-seven track, not-for-profit musical album produced for a year by over 100 volunteer writers, singers, musicians, and artists without a budget. Pays homage to the Dungeons and Dragons active-play webseries *Critical Role* and the acclaimed Broadway musical *Hamilton*. Reshuffled and rewrote the entire soundtrack of *Hamilton* to adapt over 188 hours of *Critical Role* gameplay into a 2.4-hour musical album.

FABLES RADIO

2016-2017

Showrunner, Writer, Casting Director, Voice Director, Sound FX, Audio Editor

A fan-produced, serialized, audio-drama adaptation of the graphic novel series “Fables,” by Bill Willingham and DC Vertigo Comics, spanning nearly three hours.

EDUCATION

Florida State University, Tallahassee, Florida

Master of Science, 2012

Library and Information Studies with Web Design Specialization

3.81 GPA

Studied abroad during summer 2011 at the FSU International Study Center in London, UK, taking classes on the design and production of online digital media. Worked as Library Student Assistant during summer 2012, planning and constructing library spaces, providing patron services, and shelving collection materials.

University of Florida, Gainesville, Florida

Bachelor of Arts, 2010

Major: Anthropology, Minor: Communication Studies

3.64 GPA
